Dear Parent/Guardian,

It is such a pleasure to have our pupils back in school. However, I do appreciate the concerns of parents, guardians, pupils and the wider school community and I wish to reassure you that every precaution is being taken to reduce transference and mitigate risk during restart.

As an additional precautionary measure, I am requesting consent to share pupils' details with the PHA in the event that one of the members of our school community tests positive for Covid-19. If the school is informed of a confirmed case, the PHA Contact Tracing Service will ask for the details of potentially exposed contacts.

Having secured advance consent will allow the school to share all relevant details of those deemed a 'close contact' with the PHA immediately, expediting the whole process and helping to reduce transmission. The PHA will then contact those they deem as 'close contacts' and provide advice on next steps.

Ensuring the safety of pupils and staff is my absolute priority and I will continue to monitor this situation carefully and keep you informed.

Please feel free to contact Mrs Hughes with any additional questions or concerns that you may have.

Kind regards,

F Hughes
