Monday 30th October 2019

Dear Parent/Guardian

This year our Primary 6 pupils will participate in the CASE IV Shared Education Programme. This is the third year of what has been to date a very successful, enjoyable and beneficial partnership with Lisnadill Primary School.

This year our shared focus is on STEM learning. A series of lessons in Science and Technology will be planned and organised by the class teachers and pupils will have the opportunity to further develop their knowledge and skills in a fun and stimulating environment.

The first lesson will take place tomorrow **Tuesday 1st October in Gosford Forest Park**, where they will be studying animals and their habitats.

NB: Children will wear school uniform; however, they will need to wear tracksuit bottoms (plain navy as in line with PE policy if possible) along with old trainers or welly boots and a raincoat.

Pupils should take to school a dry change of their own clothes (including dry socks and footwear) in case they get wet and may need to change.

The bus will leave school at 9:30am and will return in time for school dinners. Break will be provided by the class teacher.

The cost of this trip is funded through our Shared Education Project.

All reply slips must be returned tomorrow morning to the class teacher.

Yours sincerely,

Mrs Feena Hughes
Principal

Reply Slip:

Child's name: _____ Classs: P6

Please circle as appropriate:

I give / I do not give permission for my child to participate in the STEM lesson in
Gosford Forest Park tomorrow Tuesday 1st October 2019.
